Objectives:

I am seeking an opportunity to explore my potentials to achieve the highest possible level of professional education in the new emerging filed of Bioinformatics.

Qualification:

M.Sc. (Computer Science) (University of the Punjab, Lahore)

M.Sc. (Statistics) (University of the Punjab, Lahore)

M.A. (Education) (University of the Punjab, Lahore)

M.A. (Political Science) (University of the Punjab, Lahore)

B.Sc. (Math A Course+ Math B Course + Statistics) (University of the Punjab, Lahore)

F.Sc. (Pre-Engineering) (Govt. College, Wazirabad) (Gujranwala Board)

Matriculation. (Govt. Public High School, Wazirabad) (Science) (Gujranwala Board)

Teaching Profile at graduation and post graduation levels:

Software Engineering, Project Management, Object Oriented Analysis and Design, Ecommerce, Database Design & Management, Distributed Database System, Object Oriented Programming, Operations Research, Data Structures & Algorithm, Probability & Statistics and SPSS.

Areas of special interests in Research:

Software Engineering, DBMS, Data Structures & Algorithm and Statistics are being used to solve Bioinformatics problems and for statistical analysis of large *Omics data sets.

Teaching & Management Experience: (More than thirteen years)

I have been teaching as Faculty Member in the Department of Information Technology, University of the Punjab, Gujranwala Campus for more than seven years.

I have been working as Assistant Professor (On Contract Basis) in Operation Research Center, Institute of Statistics, University of the Punjab, Lahore from 16-02-2004 to 16-08-2006.

I have been serving as Program Coordinator and faculty member in the Center for Information Technology, Lahore (affiliated with Baluchistan University) from 01-10-2002 to 31-01-2004.

I have been working as visiting faculty member in the prestigious Institutes and Colleges of University of the Punjab, Lahore:-

1. Punjab University College of Information Technology from 2003 to 2004.
2. Hailey College of Commerce, PU from October 2005 to June 2006.
3. Operation Research Center, Institute of Statistics, PU from June 2003 to February 2004.

I have been working as Incharge, Department of Information Technology, University of the Punjab, Gujranwala Campus for more than five years.

I have been Project Coordinator in the Department of Information Technology, University of the Punjab, Gujranwala Campus for more than five years.

I have been working as Chairman (Event Management Society, University of the Punjab, Gujranwala Campus) for more than seven years.

I have also been the member of the Organizing Committee, who organized the “Inauguration Ceremony” of Gujranwala Campus on March 15, 2007, when President of Pakistan, General Pervez Musharraf was the Chief Guest.

International Conferences and Seminars attended:

“Statistical Methods for *Omics Data Integration and Analysis”. Herakilion, Crete, Greece from 10th to 12th of November, 2014.

“The Genomic of Gene Expression RNA-Seq Course”. PRINCIPE FELIPE, Centro De Investigation, Valencia, Spain from 9th to 13th of March, 2015.

“PROLIFIC WP2 meeting”. INRA, Jouy en Josas, France from 13th to 14th of October, 2014.

“Introduction to Metagenomics”. SciLifeLab, Uppsala, from 25th to 26th of November, 2014.

I organized “*First International Conference on Statistics & Operations Research - 2006*” held on April 3-5, 2006 as Deputy Secretary of Organizing Committee, University of the Punjab, Lahore, Pakistan.

First International Conference on Statistics & Operations Research – 2006, “Simulation of Waiting Lines in Service Environment” April 3-5, 2006, University of the Punjab, Lahore, Pakistan.
