*(Empowering Youth)*

## **VOICE OF PUNJAB**

Voice of Punjab is an initiative designed to uncover the untold stories of Punjab. Voice of Punjab aims to bring the youth of the society on the front foot and let them explore the society and the rich heritage of the Punjab. It aims to preserve and promote the diverse culture, heritage, history and traditions that make Punjab the bastion of pluralism and progress.

Voice of Punjab also provides a platform to the youth of Pakistan where they can discover their maximum potential and utilize it to the fullest of their capacity to carve their own niche. Along with this, Voice of Punjab also works to highlight the opportunities for the youth which can be helpful to them in shaping their future.

Alongside providing opportunities, this project opts an instructive approach to ensure ideological clarity among the young generations, equipping them with the best of knowledge about their origins and the native land – in order to enable them to contribute fully to the betterment of the society.

We all know that Punjab is famous for its historical places. People from whole world come here to visit the historical places and to try the traditional foods of this beautiful land. In this regard, Voice of Punjab always stood first to promote such things and bring them to the bigger level to promote the tourism in Punjab, mainly Pakistan.

Under the umbrella of “Voice of Punjab”, different informative as well as entertaining programs have been sketched out that not only help the youth voice their opinions and concerns but also facilitate them to reach out to each other and unite for intellectual and social development.

Additionally, Voice of Punjab will also be bringing a lot of informative and qualitative sessions for its audience which will help them to grow in their respective field. Unfortunately, our youth needs complete direction to do something. Last but not the least, Voice of Punjab mainly aims to promote the nationalism in our youth and society mainly. Nationalism is our first priority and will always remain at the top.

Voice of Punjab is a platform which aims to work on following points to uplift the youth and society:

1. Promotion of Talented Youth
2. Revival of Punjabi Culture
3. Tourism to historical and cultural places
4. Positive and productive representation of Pakistan
